

Baker Work Weekend

Mountain T.O.P.

May 10th – May 13th, 2012

In order to prepare for a Summer of ministry, we need your help in making Baker operable. As most of you know, we run year-round operations out of Pines. This weekend will be specifically dedicated to preparing Baker for the eight weeks of Youth Summer Ministry to follow. We need any help you can offer. Projects will include things like cleaning and organizing cabins, the dining hall, kitchen, pavilion, infirmary, grounds, staff lodge and staff offices.
